

EXPORT LICENCE

Open General Export Licence (Military Goods:

Government or NATO End-Use) dated 11 June 2008

granted by the Secretary of State.

The Secretary of State, in exercise of powers conferred by Article 12 of the Export of Goods, Transfer of Technology and Provision of Technical Assistance (Control) Order 2003^(a) ("the Order"), hereby grants the following Open General Export Licence:

Licence

1. Subject to the following provisions of this Licence, items specified in Schedule 1, may be exported or transferred from the United Kingdom to:
 - (1) any of the following persons or entities in a country specified in Schedule 2:
 - (a) its government;
 - (b) a NATO Headquarters; or
 - (c) a contractor provided that the exporter or transferor has obtained documentation from the contractor (e.g. copy of purchase order, excerpt of a contract, a written undertaking by the contractor) that establishes that the items are required for a permitted use;
 - (2) armed forces of a country specified in Schedule 2 that are deployed outside that country, except where the exported or transferred items are within entry ML7.g. in Part I of Schedule 1 to the Order or within entries ML21 or ML22 in that Part as they relate to entry ML7.g.

(a) S.I. 2003/2764, as amended

Exclusions

2. This licence does not authorise the export or transfer of items:
- (1) if the exporter or transferor has been informed by a competent authority that the items are or may be intended, in their entirety or in part, for a use other than a permitted use;
 - (2) if the exporter or transferor knows that the items are intended, in their entirety or in part, for a use other than a permitted use;
 - (3) if the exporter or transferor has grounds for suspecting that the items might be used, in their entirety or in part, for a use other than a permitted use, unless he has made all reasonable enquiries as to their proposed use and satisfied himself that they will not be so used;
 - (4) to a destination within a Customs Free Zone;
 - (5) in the case of exports of goods or technology in tangible form, if the exporter has been informed by a competent authority, or is otherwise aware, (e.g. from information received from the manufacturer), that they have been classified by the Ministry of Defence as having a protective marking of CONFIDENTIAL or above, **unless**:
 - (a) the proposed export has been approved by the Ministry of Defence under F680 or F1686 and a written letter of clearance has been issued under the appropriate procedure or work for which the export is required has been agreed under the Project Security Instruction (PSI) and the consignee company has been cleared to the appropriate level through DE&S Security Advisers Office , and
 - (i) the clearance approval is not time expired at the time the export takes place, and

- (ii) the "Goods" are identical to those for which the clearance was given; and
 - (b) they are exported in accordance with the procedures laid down in the Manual of Protective Security, issued by the Cabinet Office, appropriate to the grading of the material;
- (6) in the case of intangible technology transfers, if the technology has a protective marking RESTRICTED or above **unless:**
 - (a) the transmission medium is protected by approved encryption appropriate to the protective marking of data, and
 - (b) the transferor holds clearance from a government accreditation authority which can be produced to the Compliance Officer.

Conditions and Requirements

3. The exporter or transferor shall comply with the following Conditions and Requirements:
 - (1) before first using this Licence, he shall inform the Secretary of State of his intention to do so, specifying the his name and the address at which copies of records maintained pursuant to paragraph 3(2) may be inspected;
 - (2) subject to paragraph 3(3), the exporter or transferor shall maintain the following records in respect of all his exports and transfers of items under this Open General Export Licence:
 - (a) the date and destination of each;
 - (b) the name and address of the consignee;
 - (c) a description of the items exported or transferred;

- (d) MOD F680 or F1686 clearance letter or proof of PSI clearance referred to in paragraph 2(5)(a) (in the case of CONFIDENTIAL "Goods" or above);
- (e) the clearance from a government accreditation authority referred to in paragraph 2(6)(b) (in the case of intangible technology transfers where the technology has a protective marking RESTRICTED or above);
- (f) all documentation obtained pursuant to paragraph 1(1)(c);

and any such records shall be maintained for at least six years after the date of the relevant export or transfer and the exporter or transferor shall permit the records to be inspected and copied by any person authorised by the Secretary of State;

- (3) in the case of goods and/or technology specified in Part I of Schedule 1 to the Order which have any of the functions or characteristics of information security described in Category 5 Part 2 of Annex 1 to Council Regulation (EC) No. 1334/2000^(c), a copy of the records specified in paragraph 3(2)(a) and 3(2)(b) shall be presented to the Secretary of State for inspection every twelve months;
- (4) Except in the case of a transfer of technology by telephone, fax or other electronic media, official and commercial export documentation accompanying the goods or technology shall include a note stating that "the goods/technology are being exported under the Open General Export Licence (Military Goods: Government or NATO End-Use)" and shall be presented to an officer of HM Revenue and Customs if so requested;

(c) O.J.L159, 30.6.2000, as amended

- (5) the exporter or transferor shall notify the Secretary of State of any change in the address referred to in paragraph 3(1) within 30 days of that change.

Prohibitions not affected by this Licence

4. Nothing in this Licence shall affect any prohibition or restriction on the exportation or transfer or carrying out of any other act with respect of the exportation or transfer of any items concerned under, or by virtue of, any enactment other than a prohibition or restriction in the Legislation under which this licence was issued, as set out in the licence itself.

Interpretation

5. For the purpose of this Licence:
 - (1) "the Act" means the Export Control Act 2002^(b)
 - (2) a "Customs Free Zone" is a part of the territory of a country where any goods introduced are generally regarded, insofar as import duties and taxes are concerned, as being outside the Customs territory of that country, and are not subject to the Customs controls that would otherwise apply;
 - (3) "MOD F680 or F1686" procedure is a means by which exporters can become informed of any objections or problems associated with the marketing or supply of particular military goods or technology, and be advised of the protective security grading of the "Goods", and obtain clearance to sub contract or team on projects with overseas companies;
 - (4) "MANPADS" – Man-Portable Air Defence Systems – surface-to-air missile systems designed to be man-portable and carried and fired by a single individual; and other surface-to-air missile

^(b) 2002 c.28

systems designed to be operated and fired by more than one individual acting as a crew and portable by several individuals;

- (5) "permitted use" means use (including for testing or trial purposes) by the government of a country specified in Schedule 2 or by NATO but does not include:
- (a) use, other than permitted WMD use, in connection with the development, production, handling, operation, maintenance, storage, detection, identification or dissemination of chemical, biological or nuclear weapons, or other nuclear explosive devices or the development, production, maintenance or storage of missiles capable of delivering such weapons;
 - (b) use that would be inconsistent with the terms of a UN, OSCE or EU arms embargo or any other arms embargo observed by the UK; or
 - (c) incorporation in goods or technology that:
 - (i) are to be exported or transferred to a destination other than one specified in Schedule 2; and
 - (ii) are not to be used by the government of a country specified in Schedule 2 or by NATO;
- (6) "permitted WMD use" means use, in a country specified in Schedule 2, in connection with the detection or identification of chemical, biological or nuclear weapons;
- (7) unless the context otherwise requires, any other expression used in this Licence shall have the meaning it has in the Act or the Order.

Entry into Force

6. This Licence shall come into force on 20 June 2008.
7. The Open General Export Licence (Military Goods: Government or NATO End-Use) dated 24th May 2007 is hereby revoked.
